

The image shows the front cover of a book. The cover is a deep blue color with a fine, wavy, textured pattern. Overlaid on this texture are several geometric shapes, primarily rectangles and triangles, which are slightly raised or embossed. In the upper right, a tilted rectangular frame contains the year '1958' in white, sans-serif, all-caps font. Below this, towards the bottom, a larger, more complex geometric frame contains the word 'MONTALA' in the same white, sans-serif, all-caps font. The overall design is minimalist and modern, typical of mid-20th-century bookbinding.
